Item	Description	Properties Of Benefits
<b>Shungite</b>	<p>The location is in Russia. Its natural component is C60 Buckminsterfullerenes. Shungite is an extraordinary stone. It works best when you place three sunset stones together. There are two main uses: 1) Place it in water in any body of water to clear algae &amp; restructure; 2) Reduce the harmful effects of EMF waves (e.g., Wi-Fi, microwave ovens, electric cars), which does not shut down wifi signals; it corrects them from free electrons to anion ions via C60 buckminsterfullerenes that reprocess the cation ions to whole anions again. This is a quantum restoration. Your body lives on anion ions and is damaged by free electrons/cation ions; 3) wearing shungite captures free electrons around you and turns them into anion ions that your body easily absorbs for energy though. The most powerful ally to awaken, and deepen a connection with, ALL THAT IS. Purifies the physical body, removes negative emotional patterns while supporting fresh emotional patterns.</p>	<p><b>Element:</b> Fire, Wind, Storm EMF Protection, Purification, Activate connection with ALL THAT IS,</p>
